ROTATION BODY ARRANGEMENT

RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

February 7, 2006

Sir:

This replies to the Notice of Non-Compliant Amendment,
dated February 1, 2006.

The Notice points out that the drawing does not bear
the marking required by 37 CFR 1.121(d).

That section of the rules applies only to amendments to
the drawings. In the present application, we filed one sheet of
drawing with the original application papers, on December 20,
2004. A copy of the receipt card proves that one sheet of
drawing was filed that day.

Attached hereto is a copy of the drawing that was filed
that day. It should be identical to the drawing to which the
Notice of Non-Compliant Amendment refers.
